WHOLESALE PRICE LIST
SPRING 1941

ON EVERGREEN LIVE OAKS

While we have tagged and reserved thousands of our Evergreen Live Oak Trees (Spanish Type), as well as shipped already this Season thousands more of all sizes, we are still able to supply a fair selection on all size Trees listed below.

The Evergreen Spanish Type of Live Oak Tree (*Quercus Virginiana*) is a fast growing, clean body, uniform straight tree, transplanted, root pruned, Nursery grown in Beaumont. Balling Soil. They can be successfully transplanted, even large specimens. These Trees live after transplanting, and grow off for quick shade.

TERMS: Cash with order, unless credit has been established.
AND 15% Discount for Minimum Carload order.
DISCOUNTS: 10% Discount for Minimum Truckload order.
5% Discount for Cash with order (Not C.O.D.).

Select and Reserve your Order from the following list before it's too late. All Balled and Burlapped (B&B), pruned for planting.

Caliper	Approx.Ht.	XX	XXX	Caliper	Approx.Ht.	XX	XXX
1 in.	7 ft.	\$ 1.60	\$ 2.10	2 3/4 in.	15 ft.	\$ 9.40	\$12.50
1 1/4 in.	9 ft.	2.10	2.90	3 in.	16 ft.	11.50	14.60
1 1/2 in.	10 ft.	3.90	4.90	3 1/2 in.	18 ft.	13.50	18.90
1 3/4 in.	11 ft.	4.90	6.50	4 in.	20 ft.	16.50	22.90
2 in.	12 ft.	5.90	7.50	4 1/2 in.	22 ft.	21.50	27.50
2 1/4 in.	13 ft.	6.90	8.90	5 in.	24 ft.	30.50	35.00
2 1/2 in.	14 ft.	8.10	10.90	6 in.	26 ft.	37.00	45.00

Today we deal with an impatient age, and who demand quick results, therefore we find the Live Oak meets this qualification and demand. The Cities are using them for Street plantings. Boulevards and Parks; the Highway Department for Highways and Roadside Parks; Real Estate firms for Sub-Divisions and Cemeteries; Schools for their Campus grounds; the Government on Hospital Grounds and Housing Projects; and the general public for private grounds and in the lawns for Shade Trees.

OTHER SPECIMEN LANDSCAPE MATERIAL

Refer to our latest Wholesale Price List, for choice selections of other Landscape Materials in which we specialize. We offer this Season, a very choice selection of Nursery Stock. Uniform sizes, Grades and Quality, all listed in our 1941 Wholesale Price List. Everything for the most extensive landscape development. Refer to our General Descriptive Catalog for a complete list of Varieties and Sizes of Trees and Shrubs for General use in the entire Southwest Territory.

WELCOME TO OUR NURSERY

While we grade all Nursery Stock which we sell by Standardized Grading System of A.A.N., and give you the Same grades whether ordered in person or by mail, we invite you to our nursery to see and personally select your requirements.

Bring your Retail clients to see and select. We will help you to sell them and protect your interest the same as if it were our own client; or send them to the Nursery with a letter of introduction if you cannot come.

Write about any Special Requirements not listed in Catalog, as we may be able to supply from our own stock, or refer you to a source for it.
